

Miami County Speedway
August 27, 2011

The racers were out in force after a week off at Miami County Speedway. Over 128 cars took their position for the night's program plus a make-up non-wing feature. Stuart Hanft took the make-up non-wing show and then the normal program was on. Jered VanNess and Kayealeb Bolton took the heats in the junior class. Kaleb Kinsler came on strong to take the feature checkers. Kayealeb Bolton, Jadon Rodgers, Garrett Jameson and Carson Stout rounded out the feature top five.

The non-wingers got back on track with five heats and three B mains to set the field. Tyler Stump, Ryan Kline, Jordan Lambert, Kris Knox and Braiden Black took the heat victories to secure a feature spot. Matt Johnson, Sara Elrod and Chris Miller took the B wins to transfer to the A main. The feature was a classic battle of the best non-wing pilots in the area, with battle of the best non-wing pilots in the area, with two and three wide racing all over the track. Brandon Rose rode the high side with the lead as Kris Knox held the bottom line in second. Zeke Lewis mechanical malfunction caused him to flip coming out of turn four, set up a green, white, checker dash for the feature win. Brandon prevailed for his first win of the season. Kris held the second spot, Jordan Lambert, Laine Hite and Braiden Black finished out the top five.

Callie Wolsiffer, Kolt Kinsler, and Brody Hutto took restrictor heat wins. Kolt pulled off the perfect night as he cashed in with the feature win. Dalton Walker, Callie Wolsiffer, Brody Hutto and Matt Johnson kept the pressure on Kolt.

Senior class drivers Ryan Kline, Dennis Corcoran and Howard Weaver claimed heat wins. Dennis collected another Miami County Speedway feature win with a perfect night. Bob Bourff, Howard Weaver, Bob Harrington and Ron Dennis finished behind Dennis.

Blane Culp, Halen Shafer and Shelby Larson took the wing class heat race wins. Blane got the perfect night as he chalked up another Miami County Speedway feature win on the season. Ben Taylor, Randy Shilling, Sam Kimmel and Zach Taylor round out the top five.

All prayers are that Mother Nature will be kind to us this weekend for Labor Day. Saturday will be the annual Lambert/Herron Memorial Race and Sunday will be a full program with the junior class running wing-less.
